

FIG. 1 – THE LINE OUTSIDE THE ENTRANCE (TOO MUCH NOISE, ONE DOOR IN)

THE PROBLEM: OPPORTUNITIES ARE HIDDEN IN NOISE

Every day, organizations are surrounded by signals.

Most organizations never see these signals, or they see them too late.

The challenge is no longer finding information.

The challenge is identifying which signals matter and turning them into action.

- News articles.
- Government announcements.
- Budget approvals.
- Industry changes.
- Hiring activity.
- Competitive movements.
- Customer interactions.
